**ALL WORKING WOMEN CELEBRATED
ON INTERNATIONAL WOMEN'S DAY, MARCH 8th**

All over the world, women are gathering to commemorate International Women's Day, March 8th. Local women will be gathering from 6:00 to 8:00 p.m. at Olympic Cellars Winery, 255410 Highway 101 in Port Angeles.

The event at Olympic Cellars Winery is an open invitation to celebrate with women friends, music, and Working Girl Wines.

International Women's Day is the story of ordinary women as makers of history; it is rooted in the centuries-old struggle of women to participate in society on an equal footing with men. When women on all continents, often divided by national boundaries and by ethnic, linguistic, cultural, economic and political differences, come together to celebrate their Day, they can look back to a tradition that represents at least nine decades of struggle for equality, justice, peace and development.

All across the country events are being coordinated by Code Pink, Gather the Women, The Millionth Circle, and other organizations.

"Stop the world and change it" and "Invest in caring, not killing" are the slogans of the 6th Global Women's Strike, an International Women's Day event held in more than 60 nations.

Hear about what's going on with women locally and globally and how they are making a difference in the world with their contributions to families, workplaces, and communities. **Proceeds will benefit our local Operation Uplift – supporting women with breast cancer.**

(Snacks and Non-alcoholic beverages will also be available).

**All women are working women –
so take the night off and join us!**
